3rd EuChemS Chemistry Congress

Chemistry – the Creative Force

29.08. – 02.09.2010 · NÜRNBERG · GERMANY

Topics

Innovative Materials
Resources and Environment
Supramolecular Systems
Catalysis
Molecular Life Sciences
Analysis, Manipulation and Simulation
Advances in Organic and Inorganic Chemistry

Chairmen

François Diederich
Swiss Federal Institute of Technology Zurich/CH
Andreas Hirsch
University Erlangen-Nuremberg/D

www.euchems-congress2010.org

Contact: Gesellschaft Deutscher Chemiker e.V.
Congress Team
P.O. Box 90 04 40
60444 Frankfurt am Main · Germany
Phone: +49 69 7917-358/-366
E-mail: euchems-congress2010@gdch.de

CALL FOR PAPERS

SUBMIT YOUR ABSTRACT NOW

www.euchems-congress2010.org/abstracts.htm

Impact at the Interfaces

Sister Journals of *Angewandte Chemie*
(Impact Factor 2006: 10.232)
Published on behalf of
The Editorial Union of Chemical
Societies (EUChemSoc)

Since 2000
**Where Chemistry
Meets Life Science**

ChemBioChem

Impact Factor
(2006): 4.100

For more information,
please visit
www.ChemBioChem.org

Since 2000
**A Successful
Concept**

ChemPhysChem

Impact Factor
(2006): 3.449

For more information,
please visit
www.ChemPhysChem.org

Since 2006
**Chemistry
Enabling Drug
Discovery**

ChemMedChem

For more information,
please visit
www.ChemMedChem.org

Coming Soon in 2008
**Chemistry
& Sustainability
Energy & Materials**

ChemSusChem

For more information,
please visit
www.ChemSusChem.org
